ECAN01 VS ECAN02

INTRODUCING NEW CONTACTLESS CAN DATA READING EDITION

To make it even easier to read data from specific CAN lines, we have launched the warranty-friendly ECAN02 contactless adapter. For your convenience, ECAN02 has an LED light indicating whether the CAN lines are readable and the installation is correct. It also has a new robust casing and provide far better CAN data readability - up to 100% of available data.

	ECAN02	ECAN01
LED indicators	✓	
New robust casing	✓	
CAN data reading up to 1000 kb/s	✓	
CAN data reading up to 500 kb/s*	✓	✓
Contactless	✓	✓
Warranty friendly	✓	✓
Fast and easy to install	✓	✓
Powered on-board	✓	✓
Supports other CAN equipment	✓	✓

*ECAN01 compared to ECAN02, only reads up to 50% of available CAN data, ECAN02 reads 100% of data.

SUPPORTED ADAPTERS AND DEVICES

LV-CAN200	**ALL-CAN300**	**FMx150**	**FMx640**	**FMB641**	**FMB140/240**	**FMC650**
